### IHM is a Stewardship Parish

"In this period of crisis today, it is important not to turn in on ourselves, burying our own talent, our spiritual, intellectual, and material riches, everything that the Lord has given us; but, rather to open ourselves, to be supportive, to be attentive to others. Set your stakes on great ideals, the ideals that enlarge the heart, the ideals of service that make your talents fruitful. Life is not given to us to be jealously guarded for ourselves, but is given to us so that we may give it in turn."

- Pope Francis,  
to an audience on April 24, 2013

### COOP Mission Appeal Weekend—August 2nd & 3rd

*IHM Parish Welcomes Ad Gentes Missionaries!*

**Ad Gentes Missionaries** is a religious community of priests, brothers, and sisters devoted to grassroots missionary work as agents of evangelization in both rural and urban areas. Founded on June 1, 2003, by Rev. Vitalis Anyanike, the institute is committed to the holistic development of people, communities, and cultures.

Our missionaries serve as beacons of hope amid human suffering—responding to the deep needs of those affected by misery, loneliness, violence, and hunger, which often impact children, women, & the elderly the most.

We are dedicated to the integral development of the human person, addressing both spiritual and material needs. Through ministries in education, healthcare, counseling, youth empowerment, and community development, we support those on the margins of society—especially immigrants, displaced persons, and refugees. We also stand in solidarity with Christian minorities living in predominantly Islamic regions, offering accompaniment & pastoral care.

**Fr. Nick Parker**  
Pastor

# Common Myths about Hays Catholic Schools

## **Hays Catholic Schools are only for Catholic students.**

Did you know students do not have to be Catholic to attend Holy Family Elementary School or TMP-Marian Jr./Sr. High School? Students of all walks of faith or no religious affiliation are welcome to enroll.

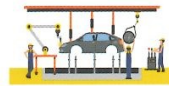

## **Attending Hays Catholic Schools is too expensive.**

Did you know both HFE and TMP-Marian provide financial aid to qualifying families? Connect with their supportive staff to inquire about available resources and programs.

## **You can't earn college credits at TMP-Marian.**

Did you know students at TMP-Marian can earn up to 24 hours' worth of dual credit classes? Many students also participate in career exploration by shadowing at a local business or organization, allowing them to gain valuable insights while earning credit towards graduation requirements.

## **TMP-M lacks career and technical education options.**

Did you know drafting and CAD, woodworking, computer-aided manufacturing, welding, construction management, ag and animal science, fabrications, agribusiness, as well as computer information technology and information support services are offered to all students?

## **No one enjoys wearing school uniforms.**

Did you know many students at Hays Catholic Schools enjoy wearing uniforms? It takes the guesswork and stress out of preparing for the school day and allows learning to be the focus. We can help you locate new and gently used uniforms locally as well. Students still enjoy a variety of spirit days throughout the year.

## **TMP-Marian is only for students attending four-year college.**

Did you know the "Prep" portion of Thomas More Prep-Marian applies to any pathway a student may take after high school? The same attributes that help someone be successful in college will also help them garner success in starting a business, raising a healthy family, and being a well-rounded and engaged citizen!
