IHM is a Stewardship Parish

"In this period of crisis today, it is important not to turn in on ourselves, burying our own talent, our spiritual, intellectual, and material riches, everything that the Lord has given us; but, rather to open ourselves, to be supportive, to be attentive to others. Set your stakes on great ideals, the ideals that enlarge the heart, the ideals of service that make your talents fruitful. Life is not given to us to be jealously guarded for ourselves, but is given to us so that we may give it in turn."

- Pope Francis,
to an audience on April 24, 2013

Stewardship Reflection

Sixth Sunday in Ordinary Time

SIR 15:15-20; PS 119:1-2, 4-5, 17-18, 33-34; 1 COR 2:6-10; MT 5:17-37 OR 5:20-22A, 27-28, 33-34A, 37

Today's readings challenge us to reflect on the true state of our hearts as it relates to stewardship. Do we think of stewardship as something we take care of once a year, simply a matter of ticking off boxes on a commitment card — or do we choose to embrace it as a spirituality and a way of life that allows us to grow in conformity to Christ every day?

Our first reading, from the Book of Sirach, teaches that our good God has given us the freedom to make this choice — “Before man are life and death, good and evil, whichever he chooses shall be given him.”

The concept of stewardship helps us live out this fundamental choice to put God first. Stewardship is not meant to be a mere external exercise that we participate in on an occasional basis. It is meant to be embraced as a way of life — a life that involves a continuous conversion of heart.

In our Gospel passage from Matthew, Jesus illustrates the difference between an external observance of the law and a true conversion of heart, saying, “You have heard that it was said ... you shall not kill ... But I say to you, whoever is angry with his brother will be liable to judgment.” Our Lord is asking us not only for exterior acts, but for a true change of heart. In stewardship terms, that means seeing everything as a gift from Him, to be used for His glory and the good of others.

In the week ahead, let us examine the state of our hearts and ask whether we have allowed stewardship to shape the way we live each day. When we do, we open ourselves to its deeper meaning and its power to change our hearts. The choice is ours.

The Bishop's Annual Appeal supports the mission of the Church beyond what any single parish can do alone. Through the Appeal, ministries that pass on the faith to our youth, support and care for our clergy, and strengthen families across the diocese are made possible. Our parish is asked to take part in this shared mission. We invite you to prayerfully consider supporting the Bishop's Annual Appeal. Give online at appeal.givecfds.org.

Presentation One – How Science Has Discovered God

From the origin of the universe to the fine-tuning of life itself, modern science reveals striking evidence of design and purpose. This presentation engages listeners with compelling scientific, philosophical, and theological arguments that point to an intelligent, loving Creator.

Presentation Two – Divine Dilemma: The Challenge of Suffering and Evil in a World Created by God

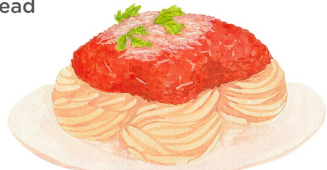

If God is good, loving, and all-powerful, why is there suffering and evil? This talk confronts one of the deepest challenges to Christian faith, offering a reasoned and hope-filled response grounded in theology, philosophy, and human experience.

Presentation Three – The Scandal and Power of Forgiveness: Love, Mercy, and the Heart of God

Forgiveness lies at the heart of the Christian life, yet it is often the hardest command to live out. Drawing from Scripture and Christian experience, this presentation explores how forgiveness reveals the very heart of God and has the power to heal, free, and transform lives today.
